## hhoosh

**Dear Families,**

### **Something's cooking!**

This month for HHOOSH Club, children have been cooking up a great range of different late snacks. Children work together and follow simple step by step instructions to create delish goodies.

### **Take cover, It's going to Explode!**

Children have shown an interest in volcanos and have created their own volcano with recycled materials.

In the afternoons children gathered around the volcano as they watched it erupt.

### **Seniors Club**

We have restarted our Seniors Club initiative this term to engage our year 5 and 6 children in activities which interest them. Each Thursday afternoon we have had specialised time for our seniors to develop their social and emotional wellbeing as well as opportunities for them to show responsibility and develop self-help skills. We recently went on an excursion to Harry Shelley Park where they were able to enjoy the extra freedom and privileges.

### **Staff changes at HHOOSH:**

Natasha has now gone on maternity leave and Natalie will be Acting Director for a year.

Taylor has stepped up to Natalie's Assistant Director role and we have hired Tash Barrow as an educational leader.

We have hired new casual staff over the last few months as some of our current staff are on University pracs and/or applying for fulltime positions in their chosen professions.

### **Meet our new educators at HHOOSH:**

My name is Tash and I'm the new educational leader. I've been working at an after-school care for the last 3 years. I'm excited to take on this new role as I love coming up with new activities for the children. I'm currently studying a Bachelor of Economics.

**Tash Barrow**  
**Education Leader**

**Ethan Chan**

My name is Ethan. I am currently studying a Bachelor of Science at University of New South Wales. I am eager to work with children and create meaningful memories with each child. My hobbies include playing saxophone, dancing and tennis.

**Elise King**

My name is Elise. I'm currently studying Graphic Design at Western Sydney University. I love hanging out with kids! I also love craft, drawing and dancing.

**Josh Bercich**

Hi, my name is Josh. I just started at university to study computing and science. I also study art in my spare time so drawing with kids is always an activity I love to do.

**Existing Staff: Natalie, Taylor, Maddie, Tom M, Heather, Mia, Chris, Lachlan, Brittany, Isabella, Alice, Jess, Margot, Alicia.**

### **What's happening next term?**

- New sustainability programs will be implemented into the program, teaching children different ways they can look after planet earth.
- We would love the help of our families create meaningful sustainability experiences for children so if you would like to assist us please see Taylor, Natalie or Tash.
- We would greatly appreciate if our families could bring in some recycled materials for the children to create some wonderful things with! Items such as toilet rolls, plastic boxes, milk cartons, jars, cardboard boxes, newspaper, egg cartons, bottles and bottle caps are just some of the things we would love to receive.

**From the HHOOSH team and P&C Committee**
